

HOTZONE[®]
SOLUTIONS
group

HOTZONE SOLUTIONS GROUP IS HIRING!

Our growing company is expanding and we are looking for people to fill in several positions.

We are looking for highly energetic, enthusiastic, CBRNe experienced:

- **Senior Instructors**
- **Junior Instructors**
- **Senior Coordinator Officers**
- **Hazard Management coordinators**
- **Hazmat Officers**
- **Industrial Safety officers**

Join now Hotzone Solutions Group and be a part of our fast-growing team. Hotzone Solutions Group is an independent company with a first-class reputation for providing a wide range of training, equipment, security and consulting services to the chemical, biological, radiological/ nuclear and explosives (CBRNE) response and environmental protection community.

Are you passionate about working in a CBRNe environment, about working with high-tech products and applications? Want to be inspired and challenged in an environment where people with energy, creativity and lots of passion work together to build and deliver unique service, training, and product experiences for our partners in Defence & Security. You will get the opportunity to pursue your professional and personal goals and develop yourself on an international level. Are you looking for a challenge in a fast-paced industry? Then join us at Hotzone Solutions Group

What will you be doing?

As a part of our team, you need to be experienced in CBRNe, you are going to strengthen our team both with your skill set and unique personality. You will be responsible for supporting various training projects mainly delivered outside of the Netherlands. Depending of the position, no relocation in the Netherlands required, since most of the tasks will be delivered abroad

- CBRNe Expert
- You have good interpersonal and communication skills
- You are a team player
- Good verbal and written communication skills in English language
- You are proactive with winner mentality & can-do attitude

HOTZONE[®]
SOLUTIONS
group

- An independent worker and self-starter always striving to go the extra mile to deliver excellent performance
- You will travel extensively
- Management skills
- Teamwork skills
- Problem Solving Skills
- Ability to work under pressure
- Intrinsically motivated and goal oriented

What do we expect from you?

- Full time availability for 1 year, (with high possibility of a fixed term contract, if satisfactory) starting September 2019
- At least 5 years of experience in CBRNe
- CBRN experience in providing trainings
- Hazmat/ first responder experience
- Fluently in English speaking
- Good medical health
- Experience in Hazmat
- Previous work and international experience
- Flexibility to travel extensively

What we consider a plus:

- Other language are plus (Japanese, Chinese, Arabic, Turkish,..)
- Real field agent experience in CBRNe / Hazmat related field
- CBRNe Emergency Services
